All Years

- ▶ One might wonder why fewer dances were taught in 2008 & 2009, but when compared to the Non-Partner to Partner percentage, it makes sense.
- ▶ It takes more time to teach couple and set dances.
- ▶ The reduction in 2011 probably reflects the decision to discontinue 9 pm teaching on the last Thursday of the month.
- ▶ The further reduction in 2012 is a result of fewer dances taught at Ethnic Sundays and multiple reviews of dances
