

Miami Valley Folk Dancers
Metrics Analysis of
Ethnic Sunday and Advanced
Teaching Sessions

2004 – 2010

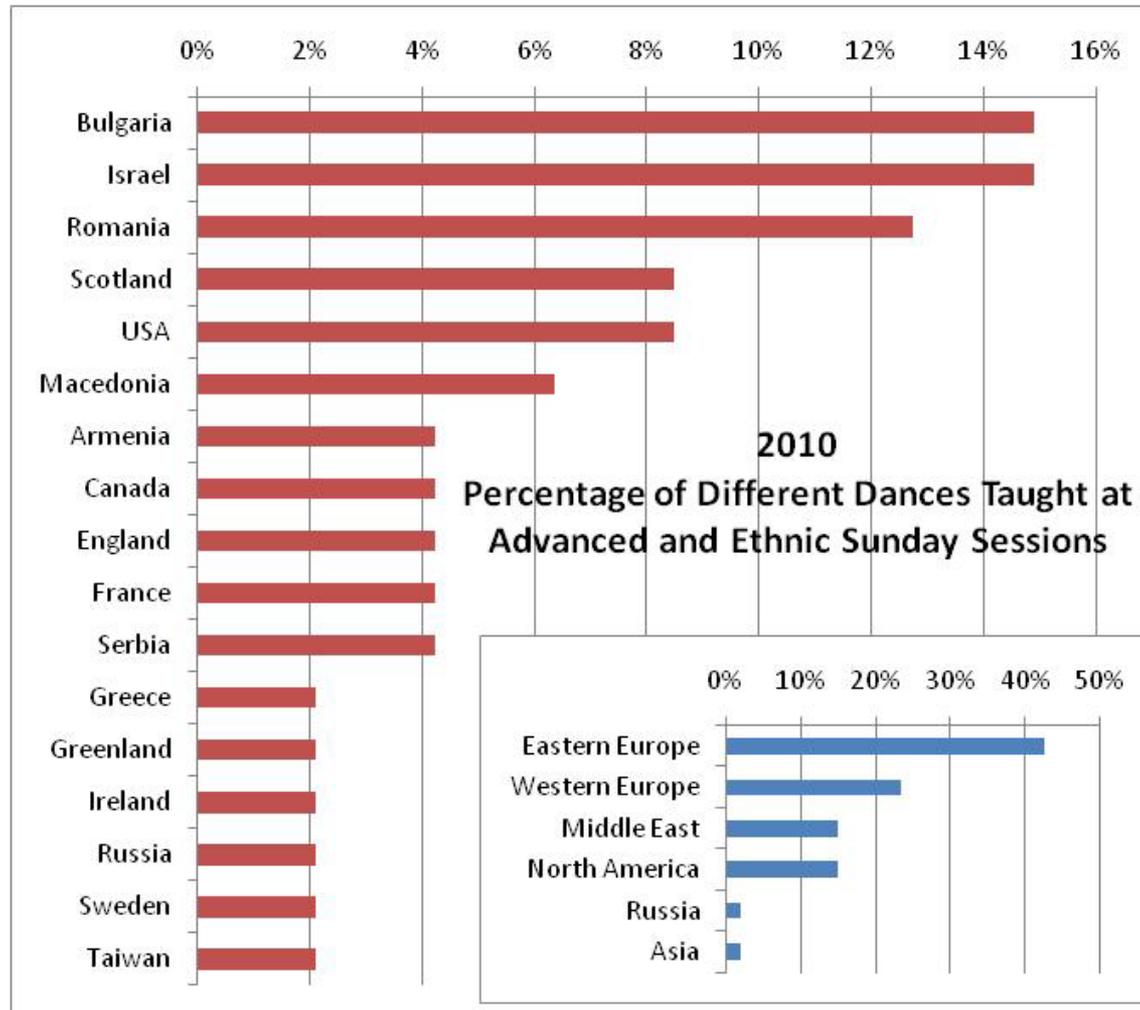

All Years By Country

- ▶ Unusually large percentages for Israel in 2004 & 2005 seem to skew it's overall percentage
- ▶ Although individually, Eastern Europe countries are not as strong, when added together, they represent a sizable percentage of teaching.

Number of Countries Represented by Year

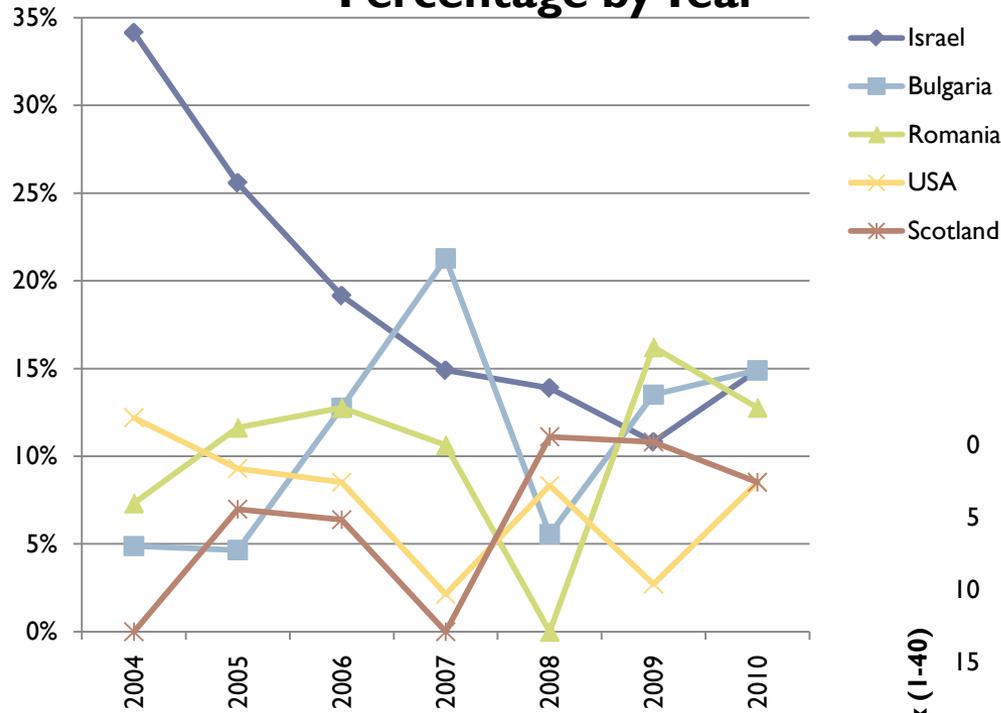

2010 By Country

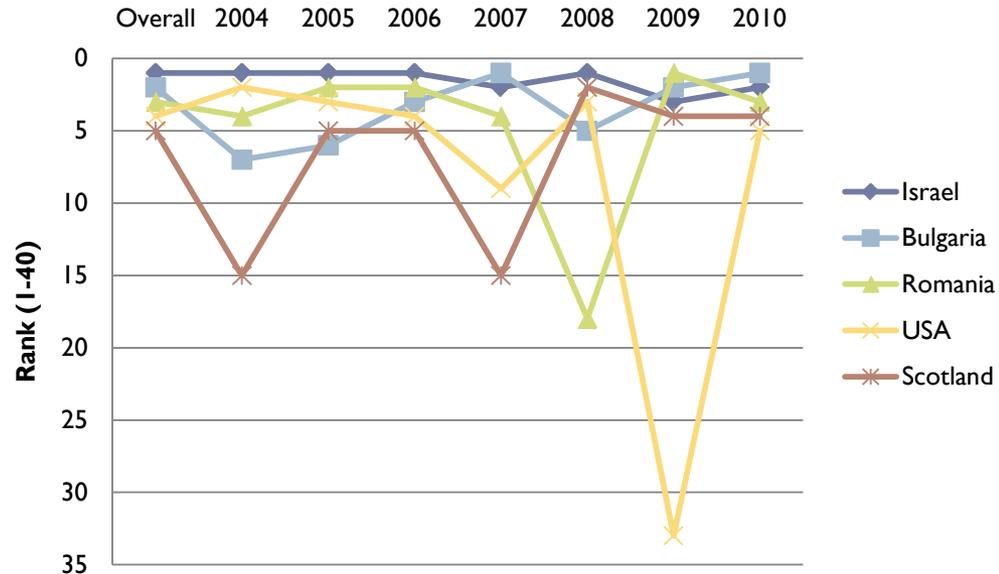

All Years – Top 5 Countries

2004-2010 Top 5 Countries Percentage by Year

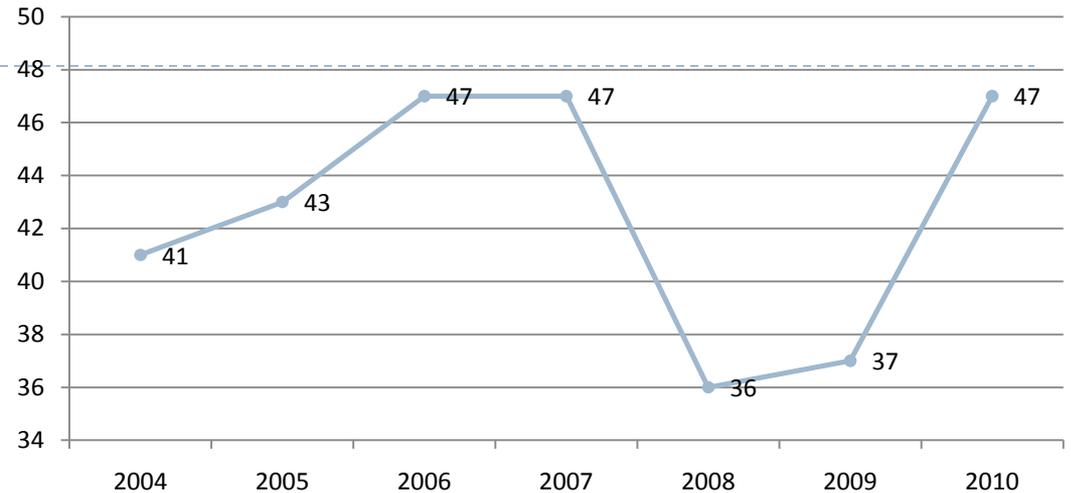

Ranking of Top 5 Countries by Year

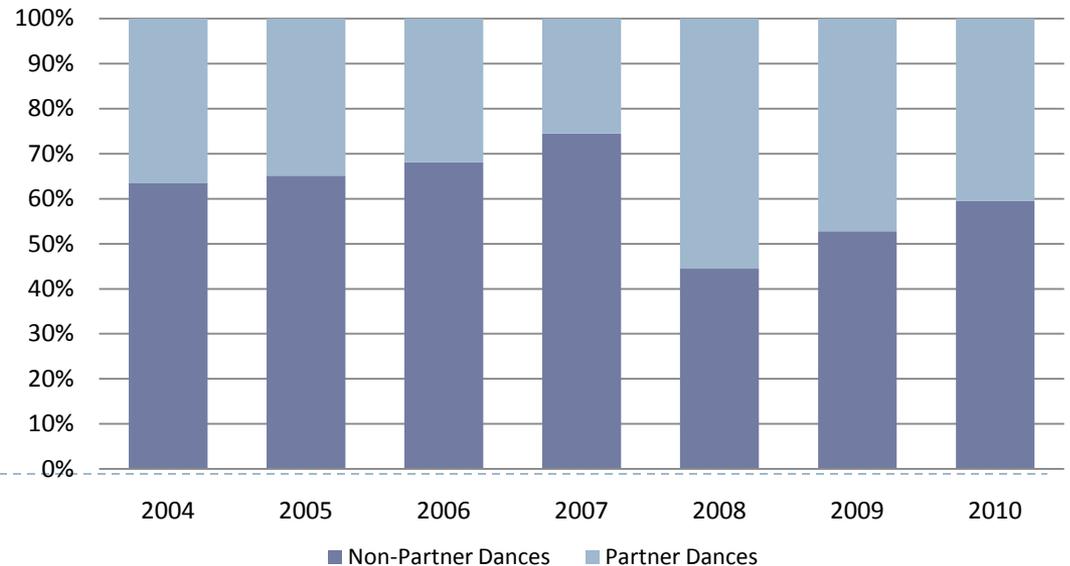

All Years

- ▶ One might wonder why fewer dances were taught in 2008 & 2009.
- ▶ When compared to the Non-Partner to Partner percentage, it makes sense.
- ▶ It takes more time to teach couple and set dances.
